

Report to Directors, Angwin Community Council

Subject: Board of Supervisors (BOS) meeting report of May 19, 2009

From: Herbert Ford

There will be no report to the Directors from Herbert Ford for this meeting because he will be engaged from 6 a.m. to 9 p.m. on May 19, serving at the Polling Place in the Squad Room of the Angwin Volunteer Fire Department.

The agenda of the May 19 meeting does not indicate any items of special interest. Perhaps the most agenda items of most note at this meeting will be a 2009 Housing Element Update Status which will be presented by the Director of Development, Conservation and Planning to this joint meeting of the BOS and the Napa County Planning Commission.

The Director of Development, Conservation and Planning will also present to the Board that department's projected work load for 2009-2010. And, of course, any member the BOS and the Planning Commission may bring any question or burden they have about the joint work of these two bodies for discussion at this meeting.
