DISCUSSION: With Kelly Anderson the Board discussed at length the new County
Master Plan. Copies are now available to the public. She pointed out
some of the changes, such as the Angwin Bubble. There will be plenty of
opportunity for input in the months ahead.

SPECIAL MEETING: There was considerable discussion regarding the Council's
sponsoring a meeting of the community members, minus the College,
County, or Triad. It was decided that the news of such a meeting might
give the impression the Council favored those opposing the plan.
It was voted that at this time we do not sponsor such a meeting.

MINUTES: The minutes of the January meeting were approved.

TREAS. RPT: The Treasurer's report was accepted.

FIRE: Chief Browne reported on the plans for a drill teaching extrication of
victims from the junk cars in the parking lot. At the conclusion of the drill
the cars will all be removed.

AMBULANCE: Quentin White reported that the Ambulance Company is doing well

NEXT MEETING: The next meeting will be held March 20 at 7 p.m. at the Firehouse.
It is an open meeting and Council members and others are invited.
