MEASURE H: We spent quite a bit of time discussing Measure H, under the leadership of Dillon and Ponte. The Board has taken no action as of now, but leans favorably to approving the Measure. We will wait until we have a quorum to vote

MEASURE A: We also received many answers we had about Measure A.

AMBULANCE: A large donation was received and in the bank.
The ACA is asked to partner with the SHHHC in some of the activities in training.
The ACA is also considering providing a generator that would enable Public Safety to have 24/7 hours of power.

ANGWIN FIRE: AFD is working on a chipper program for the Angwin Community. They recently gave training to the firefighters meeting the requirements for Defensive Drive Training. The County is planning for a survey of Angwin with regard to fire regulations. You will hear more about this later. The new truck should be arriving in a few weeks.

NEXT MEETING: THIS IS A VERY IMPORTANT MEETING TO BE HELD APRIL 18, AT 7 P.M. IN THE FIREHOUSE.. Board members should plan to be there. Hopefully we can take final action on the adoption of the By-Laws so we can proceed to a non-profit status.
